Wood Letter Codes: maple: (m) oak: (k) cherry: (c)

Drawers solid wood drawers feature English dovetail joints for lasting stability and are mounted on full extension ball bearing drawer glides.

Maple a light colored hardwood, Maple has a close, fine, uniform texture that is generally straight-grained. A very durable hardwood that will take any color stain or paint well.

Oak has a reddish cast and is a very hard wood with a mostly straight open grain. This is an extremely durable, great wear-resistance hardwood that accepts stains well to a beautiful finish.

Cherry a beautiful reddish brown to deep red color with lighter streaks of sapwood. Cherry has a fine uniform, straight grain, satiny, smooth texture, the beauty of this hard wood and accompanying even grain has been a favorite choice of furniture makers for centuries.

Woodcraft quality hardware options vary by style and collection. Your choices will be displayed on our collection pages.
